

SCR 2023 – PRELIMINARY PROGRAMME					
Wednesday, 23rd August 2023					
START OF OFFICIAL PROGRAMME					
10.00-16.00	Pre-courses Pre-course is included in the congress fee – registration necessary – limited space.				
	Workshop: Ultrasound session <u>Presentation and Hands-on of specific topics:</u> <ul style="list-style-type: none"> Vascular ultrasound relevant for diagnosing arteritis temporalis (Andreas Diamantopoulos, Norway) Scanning of salivary glands for Sjögrens Syndrome (Viktoria Fana, Denmark) Scanning of lungs for inflammatory lung disease in RA (Jesper Rømhild Davidsen, Denmark) <u>Discussion session:</u> <ul style="list-style-type: none"> A discussion of the role of ultrasound in daily standard evaluation of patients, e.g. should ultrasound replace clinical examination – a pro et contra session? (Lene Terslev, Denmark and Hilde Berner Hammer, Norway) A demonstration of robot scanning (Søren Just, Denmark) Ultrasound for evaluation of sarcopenia in rheumatic disease (Lene Terslev, Denmark) 		Workshop: Meet the Professors – Session about connective tissue diseases		
Thursday, 24th August 2023					
Time	Track 1 (physician 1)	Track 2 (physician 2)	Track 3 (therapists and tendencies)	Track 4 (skills and nerdy things) – ("basement sessions")	
9.15 - 11.45	Opening Session: Speech and prizes				
9.55-10.10	Short break "What is new in management" 1. PsA - What is new: <i>Oliver Fitzgerald, Ireland</i> 2. RA - What is new: <i>Espen Haavardsholm, Norway</i> 3. Axial SpA - What is new: <i>Mikkel Østergaard, Denmark</i> 4. SLE - What is new				
11.45 - 13.00	Lunch and Sponsored Lunch Symposium				

13.15 - 14.30	Sjögrens Disease Dissect Genetics and Sjögren Imaging, <i>Viktoria Fana, Denmark</i> Abstracts	Hyperinflammation Vexas 1: A hematology perspective, <i>Jakob Verner, Denmark</i> Vexas 2: A rheumatology perspective <i>Niels Graudal, Denmark</i> Abstracts	Registries and collaboration Nordic registry collaboration in RA, PsA and axSpA- Nordforsk, <i>Johan Askling, Sweden</i> European Collaboration on SpA and PsA registries (EuroSpA), <i>Lykke Ørnbjerg, Denmark</i> Abstracts	Workshop: Shoulder examination and muscle tests Free but registration required – limited space Two workshops in one with rotation and patients/models Muscle tests: <i>Louise Diederichsen, Denmark</i> Shoulder: <i>Pierre Schydlowsky, Denmark/ Michael Krosggaard, Denmark</i>
14.30 -15.00	Coffee Break and Poster viewing			
15.15 - 16.30	Lung Disease in Rheumatology Treatment of ILD, <i>Anna-Maria Hoffman-Vold, Norway</i> Rheumatoid Arthritis-associated lung disease: Clinical characteristics and mortality, <i>Torkell Ellingsen, Denmark</i> Abstracts	Interaction between autonomous nervous system and immune system Check point-inhibitors and voluntary treatment of inflammation Vagus-stimulation in RA, SLE, PMR, <i>Salome Kristensen, Denmark</i> Check point-inhibitors: Relevance to rheumatology: <i>Anna Rudin, Sweden</i> Abstracts	AI and personalized medicine AI in imaging in rheumatology: <i>Mikael Boesen, Denmark</i> Multiomics approaches to personalized medicine, <i>Sædís Sævarsdóttir, Iceland</i> Abstracts	”Thieves Market”, Cases 1 6 unique cases with good learning value
	END OF OFFICIAL PROGRAMME			
16.30 - 17.30	SCR General Assembly			

Friday, 25th August 2023				
8.15 -9.15				
Sponsored Satellite Symposium				
9.30 - 10.45	<p>Myositis</p> <p>Management of inflammatory myopathy, <i>Ingrid Lundberg, Sweden</i></p> <p>High-intensity strength training in patients with idiopathic inflammatory myopathies, <i>Louise Diederichsen, Denmark</i></p> <p>Abstracts</p>	<p>COVID – impact in rheumatology</p> <p>Impact of COVID (review), <i>Anne Margrethe Troldborg, Denmark</i></p> <p>Vaccination response with patients in immunosuppressive treatment, <i>Meliha Kapetanovic, Denmark</i></p> <p>Danish population based COVID studies, <i>Lene Dreyer, Denmark</i></p> <p>Abstracts</p>	<p>Megatrends/remote care/tele medicine</p> <p>Remote Care in rheumatic and musculoskeletal diseases - State of the art, <i>Andréa Marques, Portugal</i></p> <p>Presentation of WebRA: Preliminary data from a pragmatic randomized controlled investigating the effectiveness of web-based patient education in rheumatoid arthritis. <i>Line Knudsen, Denmark</i></p> <p>Presentation of ReMonit - Remote monitoring of axial spondylarthritis in specialist health care, <i>Nina Østerås, Norway</i></p> <p>Abstracts</p>	<p>Ultrasound</p> <p>Hands-on Ultrasonography Workshop <i>Lene Terslev, Denmark, Hilde Hammer, Norway, Lars Juul, Denmark, Jørgen Guldborg Møller, Denmark</i></p>
10.45 - 11.15	Coffee Break and Poster viewing			
11.15 - 12.30	<p>Osteoarthritis</p> <p>Pharmacological Stem cells</p> <p>Nonpharmacological treatment- an update, <i>Marius Henriksen, Denmark</i></p> <p>Hand osteoarthritis – an update, <i>Ida Haugen, Norway</i></p> <p>Abstracts</p>	<p>Serology</p> <p>Serologic testing in rheumatology - methodological challenges <i>Johan Rönnelid, Sweden</i></p> <p>The value of ACPA in patients with arthralgia, <i>Alf Kastbom, Sweden</i></p> <p>Abstracts</p>	<p>It's OUR patient – the need for a team approach</p> <p>Impact of my disease on everyday life, <i>Kate Betteridge (patient, UK)</i></p> <p>Bio-psycho-social approach and inclusion of core elements in caring for people with rheumatic and musculoskeletal</p>	<p>Crystal microscopy, Rodham skin score and capillaroscopy</p> <p>Workshop: Capillaroscopy and modified Rodnan skin score, <i>Klaus Søndergaard/ Christoffer Tandrup, Denmark</i></p>

			diseases <i>Rikke Moe, Norway</i>	
			Interdisciplinary team care in patients with inflammatory rheumatic disease, <i>Thea Vliet Vlieland, The Netherlands</i>	
			Abstracts	
12.45 - 13.45	Lunch and Sponsored Lunch symposium			
13.45 -15.00	PsA Optimal management of PsA Tendinopathy and enthesitis, treatment with corticosteroids? <i>Finn Johansen, Denmark</i> Abstracts	Crystal arthropathies Imaging, <i>Sara Nysom Christiansen, Denmark</i> Treatment algorithm - Gout epidemiology-prevalence/incidence/treatment pattern and risk factors, <i>Mats Dehlin, Sweden</i> Difficult to treat gout, <i>Till Uhlig, Norway</i>	Psychological distress in rheumatic and musculoskeletal diseases State of the art: Depression and Anxiety in Inflammatory arthritis The MaIA (Mental Health in inflammatory arthritis) Study, <i>Annette de Thurah, Denmark</i> The patient's perspective on what offers they ask for <i>Lena Andersen, Denmark</i> Abstracts	MRI Workshop Hands on MRI workshop on AxSpA diagnosis and differential diagnosis, <i>Mikkel Østergaard, Mikael Boesen, Susanne Juhl Pedersen, Denmark</i>
15.00 - 15.45	Coffee Break and Poster viewing			

15.45 - 17.00	Spondylarthritis Novel treatments in SpA, <i>Bent Deleuran, Denmark</i> Tapering of bDMARDs, <i>Line Uhrenholt, Denmark</i> Abstracts	SLE Pregnancy in SLE /pregnancy registries, <i>Marianne Wallenius, Norway</i> Genetic approach to SLE. What have we learned from DISSECT, <i>Lars Rönnblom, Sweden</i> Abstracts	“We are together” – patients and significant others life together with rheumatic and musculoskeletal diseases State of art regarding significant others, <i>Bente Appel, Denmark</i> A personal testimony - what it’s like living with arthritis from a patient’s and partner’s perspective, <i>Neil Betteridge, UK</i> Worth knowing about relatives – when health care professionals collaborate with relatives Abstracts	The Rheumatic foot Diagnosis and treatment of the rheumatic foot. Daily day practice with degenerative and inflammatory disease, <i>Finn Johanssen, Denmark, Lars Juul, Denmark</i>
Saturday, 26th August 2023				
8.15-9.15 Sponsored Satellite Symposium				
9.30 - 10.45	Giant cell arteritis (GCA) Imaging approaches in GCA, <i>Berit Dalsgaard, Denmark</i> Predictors and early biomarkers of giant cell arteritis, <i>Karin Wadström; Sweden</i> Abstracts	Lifestyle factors and behavior change in inflammatory arthritis Lifestyle as predictor of inflammatory arthritis development and severity, <i>Carl Turesson, Sweden</i> EULAR recommendations regarding lifestyle behaviors and work participation to prevent progression of rheumatic and musculoskeletal diseases,		

		<p><i>Suzanne Verstappen, UK</i></p> <p>Barriers and motivation to healthy lifestyle, <i>Tanja Thomsen, Denmark</i></p> <p>Abstracts</p>		
10.45 - 11.15	Coffee Break and Poster viewing			

11.15 - 12.30	<p>Treatment approaches in RA</p> <p>Can-art study (and other alternative treatments) in RA, <i>Oliver Hendricks, Denmark</i></p> <p>Tapering strategies in RA, <i>Siri Lillegraven, Norway</i></p> <p>Early RA and NORDSTAR, <i>Merete Hetland, Denmark</i></p> <p>Abstracts</p>	<p>Pain</p> <p>Pain Mechanisms. New molecular evidence, <i>Rocco Giordano, Denmark</i></p> <p>Patient- and relative perspective. What are the wishes and needs of patients and relatives? How do they correspond to actual evidence? <i>Jeanette Andersen, Lupusnetværket, Denmark</i></p> <p>Multidisciplinary pain treatment – new models of pain management. Nonpharmacological treatment – and pharmacological treatment - teamwork, <i>Kirstine Amris, Denmark</i></p> <p>Abstracts</p>		
12.40 - 13.40	Closing session			

The congress is partially sponsored by the medical industry.
